

Director of Mission Advancement

New position

Seeking: A highly energized individual committed to the teaching of the Catholic Church on Natural Family Planning; a successful track record of raising friends and funds; skilled storyteller/speaker and writer; one who enjoys coaching volunteers in the art and science of asking and giving; a team leader willing to travel extensively working apart from the organization's Central Office.

Couple to Couple League: Founded in 1971, CCL is an international, Catholic, non-profit organization dedicated to promoting and teaching fertility awareness - Natural Family Planning - to married and engaged couples. A volunteer organization, its services are provided by professionally trained volunteers who are supported by a talented team at its headquarters in Cincinnati, Ohio. Local chapters consist of certified teaching couples and promoters, along with other supportive members. Simply put, CCL helps couples *Live the Love* they are called by God to experience as husband and wife. <https://ccli.org>

Profile: Reporting to the Cincinnati-based Executive Director, but likely operating virtually, the Director of Mission Advancement is responsible for building an assertive fundraising program of identifying, nurturing and engaging volunteers and donors to provide sustainable financial support to the organization. The successful candidate will bring to CCL an inner drive, a dynamic can-do personality, exceptional listening skills, desire to work with and guide volunteers, detail-oriented, and creative, but realistic “out of the box” thinking.

Timing: Ideally the new Director of Mission Advancement will be able to participate in activities of the *Humanae Vitae 50th Anniversary Celebration* in Cincinnati, July 5-7, 2018.

Benefits: Commensurate with experience, this new position offers a competitive salary and benefits package plus an incentive for successful longevity.

Deadline: Applications (or nominations of potential candidates) are encouraged before close of business Monday, 16 April 2018. Please provide a cover letter explaining your personal interest and qualifications for this new role, and include resume. All applications will be acknowledged and confidentiality, if requested, will be respected. Send to:
